

Before applying for admission cancellation or course changes, candidates must know their New User Code from the below link -

<http://173.230.131.185:8080/hrclIRP/ManageCheckDetailsAction.do?method=checkdetails>

After getting the new user code candidates may login to their portal clicking the below link using their new user code received from the above link. For Password candidate should use their earlier password given by them at the time of online application submission.

After getting into the student dashboard you may now process the online application for Cancellation or change of their course.
