### **Notice/Address**

I have pleasure in this announcement that our first phase of online class through Zoom and Cisco Webex is coming to end on 15<sup>th</sup> May, 2020 with great success. This first phase of online class started on 2<sup>nd</sup> May, 2020 with a well structured class routine of 74 classes showing date, time, subject name and name of teachers in a planned manner (copy of first class routine is attached herewith). I acknowledge with thanks the commitment of teachers of our department to adhere to this time table with precise dedication. Also, students' participation in the program is very much remarkable. On an average 70 to 90 students joined each of such classes of 3 semesters i.e., II, IV and VI despite networking problems sometimes taking place. It is noteworthy that students outside Kolkata are also participating in this program. The screenshots of such daily classes are being preserved for all future references.

The second phase of such online class through Zoom and Cisco Webex will start on 16<sup>th</sup> May, 2020 and will continue till 30<sup>th</sup> May, 2020 as per new routine for this period (copy of new second class routine is attached herewith). In this second phase, 98 classes have been arranged for the students with special emphasis on 'Project' for Semester VI. Thus, total number of classes arranged in May, 2020 has gone up to 172.

This online class schedule is a continuation process of our online teaching learning initiative which started from 1<sup>st</sup> week of April, 2020. It is worth mentioning that from 1<sup>st</sup> week of April, 2020, the teachers of Commerce department have been uploading the study materials in both LMS (Learning Management System) and in 9 WhatsApp groups for 9 sections of 3 semesters i.e, II, IV and VI and in this exercise, the students have been provided the interacting facility with the teachers through such LMS (for semester II and semester IV) and WhatsApp groups (for all three semesters – II, IV and VI).

Suggestion from any quarter relating to the improvement in overall online teaching initiative can be e-mailed to us at [snscommerce@gmail.com](mailto:snscommerce@gmail.com) which, I feel, would help us to add more meaningful value to our service to students during such pandemic phase.

It is on record that above program is being pursued in line with the instruction given by the Principal of our college for undertaking online teaching initiative which, I hope, will continue till normal classes resume in college premise after the present crisis is over.

Thanking all of you,

**Prof. Ratan Sen**  
**(Head, Department of Commerce)**

**Note:** Each online class will support maximum 100 participants at a time. Remaining students will attend the class written as 'Rest'. Before attending a class marked as 'Rest', please see the subject that you have missed. That means 'Rest' will consist of students (those who miss a particular class) from all three sections.

Total number of classes as per routine = From 02/05/2020 to 15/05/2020 + From 16/05/2020 to 30/05/2020 = 74 + 98 = **172**
