Onboarding of Students Not Yet in Contact with Any Department

It has come to the notice of the Admissions Sub-Committee that some students have not yet been added to any Departmental group, and are directing queries to the Admissions Sub-Committee or the Website technical helpline in this regard. This is largely due to incorrect contact information provided by the students themselves at the time of application which has prevented the students from being contacted. Since classes have started from 1st October 2021, they risk missing out on attendance.

Such students are required to fill up the form given below with correct details within the next two days i.e. by 2.11.2021. The data from this form will be shared with the Departments concerned for relevant onboarding into Departmental WhatsApp Groups.

Students who have already been contacted or candidates who have not taken admission to the College are not to fill up this form.

It is reiterated that Departmental faculty will contact the students and hence, students are once again asked not to direct such queries to the Admissions Sub-Committee as the Sub-Committee members will not be able to add the students individually to relevant groups.
