

SIVANATH SASTRI COLLEGE

NOTICE REGARDING VERIFICATION OF PENDING DOCUMENTS

Despite repeated reminders, some students have not uploaded correct documents to the admission portal and hence their Document Verification Status remains **“Pending”**. Such students are instructed to appear in person with their relevant ORIGINAL documents and **report to Prof. Priyanka Shaw at 9 AM on 26.11.2021 (Friday) in the College premises** for verification of documents and rectification of records. Students can check what documents are pending in the “Remarks” column of the Verification Pending List attached with this notice.

If their Madhyamik Admit Card/HS Marksheet/Category Certificate is marked as incorrect or unclear, they are instructed to carry the original and ***one self-attested photocopy/xerox of the document*** which is found to be incorrect/illegible/incomplete and submit to Prof. Shaw. The original documents will have to be shown but *no original documents will be stored/retained by the College. The College will only keep the xerox/photocopy. Please be sure to take back the originals as the College will not take any responsibility for any misplaced original documents.*

If “Student/Guardian signature” is shown as unclear or incorrect, a printout of the complete application form, duly signed by both the student and the Guardian will have to be submitted. If the local guardian is not the father/mother of the student, a declaration from the father/mother stating the name and contact details of the local guardian will have to be submitted along with the signed application form.

Students are requested to follow Covid-19 norms and maintain social distancing at all times while inside the College premises.

If any students fail to appear for the verification on 26.11.2021, their verification status will remain pending and their University Registration may be jeopardized as a result.

It may kindly be noted that only Semester I students whose documents are pending are to report on 26.11.2021. Otherwise, they are not required to visit the College on any day except the days on which their offline classes are scheduled. No other admission-related activity is being conducted offline in the College and therefore, visiting the College in person for any such work is not required.

Dated : 22.11.2021
