

SIVANATH SASTRI COLLEGE  
GENDER SENSITIZATION PROGRAMME

Sivanath Sastri College ensures representation of all the genders in different fields and helps students and staff in examining their personal attitudes and beliefs and questioning the realities of the outside world related to gender issues. The college is dedicated to disseminate and educate the students on Gender-related issues. The goal is to achieve gender equality and empower students and staff.

On account of pandemic situation Gender Sensitisation programme could not be as structured as possible. Following the protocol of pandemic gender sensitization programmes were organised through online mode.
