

## **Sivanath Sastri College Alumni Association**

The Sivanath Sastri College Alumni Association (SNSCAA) was formed on 1<sup>st</sup> May 2003. The association intends to work for the welfare of the college and for the society.

### **Activities:**

SNSCAA is associated with various pro-social activities. Every year a free camp to identify the blood group of students is organized by the association. Another significant program was held on Thalassaemia Testing, where 100 students of the institute were tested.

Apart from health issues, association offers financial support to the departments of our college for organizing academic activities such as; National and international seminars, debates and discussions and workshops. The alumni members have also been involved with the NSS project of SNSC and worked closely with the teacher-student team.

Recently the Geography Chapter of Sivanath Sastri College Alumni Association organized a seminar on 'The Sundarbans Reclamation: What does the Future hold on a Warming World' in the college auditorium on 24<sup>th</sup> September 2022. The distinguished speaker was Prof. Sunando Bandyopadhyay, Department of Geography, University of Calcutta.

Every year the Association contributes in academic prizes for the successful students in the Annual Prize Distribution Ceremony.

The college alumnae also conducted workshops on Alternative Career Opportunities and Skill Development for the students.

An alumna from the Department of Economics and Director of Ecofundomics LLP was the resource person for a career counselling workshop held on 10<sup>th</sup> December 2022.
