Dear Arundipta Roy:

It is our pleasure to extend this invitation to you to visit Rollins College, located in Winter Park, Florida, from September 16 – 30, 2018 to participate in Phase 3 of the Global Links Program. The purpose of your visit is to extend the “train-the-trainer” model to students who have actively engaged in activities supervised by the 2017 Global Links Scholar, Dr. Rumpa Chakraborty, from Shri Shikshayatan College in Kolkata, India.

As a participating student, you will engage with Rollins College students and faculty to further develop your knowledge and skills in social entrepreneurship and leadership. Through the 5C model of Curriculum, Community, Culture, Career, and Coaching, together with the other Indian student participants, you will partake in seminars from members of Tupperware Brands, Rollins College, and prominent members of the Central Florida community, visit local businesses, engage in community service, and immerse yourselves in the college atmosphere at Rollins.

The Global Links Program is a private-public partnership sponsored by Rollins College, Tupperware Brands Corporation, with support from the United States Department of State. During Phase 3 of the Program you will reside in Rollins College housing located at: 1000 Holt Ave, Winter Park, FL 32789. These accommodations, in addition to your roundtrip airfare Kolkata / Orlando, food, and in-country transportation for the duration of your time in the United States will be funded by Rollins College. You will be responsible for the incidental expenses.

We hope that your time at Rollins College and your activities related to the Global Links Program will inspire you to educate and empower your community in India. We look forward to your visit and wish you safe travels.

Sincerely,

Susan Rundell Singer  
Vice President for Academic Affairs and Provost
