

SIVANATH SASTRI COLLEGE

Departmental Activity Report from 2017-2023: Political Science

Activities of the Faculty members:

The faculty members play a proactive role in maintaining sound academic ambience of the department. Dr.Shankhamala Ray, Assistant Professor in the department is pursuing a post-doctoral work on the theme 'Music as an Instrument of Peace and Resistance'. Smt. Sreya Chatterjee, a State Aided College Teacher, is pursuing a PhD work on "Food Security". Sri Mithun Das, Assistant Professor in the department, has successfully completed his M.Phil degree on 2015, and has publications. Presented papers in different National and International Seminars.

The department hold regular meeting to evaluate the usefulness of teaching learning process, results of the students in University Examinations. The department follows the policies adopted by the Academic Council in regard to the holding of examinations and publication of results.

The department organizes inter-departmental lectures, student seminars, mentor- mentee exchanges and peer teaching regularly. A faculty exchange programme is operational with Muralidhar Girls College. The teachers of the department also play a crucial role in IQAC and NAAC work and are represented in most policy making committees. They also identify and help advanced learners as well as weak learners. ICT implements are freely used by the teachers of the Department. Presently the department is in the process of conducting a student research project on "Forced Migration".

The students of the Department of Political Science actively take part in various co-curricular and extra-curricular activities beside normal academic exercises.

Taking Part in NSS Activities

A Number of students of the department are involved with NSS activities such as attending Social Service Camps organized by the college in the nearby slams, organizing processions on AIDS awareness campaigns, Dengue awareness and visits to old age homes.

Taking Part in Youth Parliament Sessions

The students of the department took part in Youth Parliament sessions and got certificates acknowledging their participation.

Taking Part in Cultural Activities

A sizable section of the students take part in different cultural programmes commemorating Independence Day, Women's Day programmes and various other programmes organized by the Cultural Committee.

Taking Part in Student Seminars

The department organizes student seminars on curriculum related matters in which the students present papers on different syllabus related topics. Their involvement in such programmes is noteworthy.

Students Mentoring

All the faculty members meet with the students of honours classes and candid spontaneous discussions are held with the students through which the faculties get the opportunity to address academic issues confronted by the students.

Identifying Advance Learners and Slow Learners

Through intense mentoring in which the honours students take part the department identifies the advance learners and slow learners. And thereby address their academic requirements.
