No. C/2964/49(Affl.)

SENATE HOUSE  
CALCUTTA.  
The 15th May, 1963.  
30th

From  
The REGISTRAR, Calcutta University.

To  
The Principal,  
Sivanath Sastri College,  
23/49, Gariahat Road,  
Calcutta - 19.

Sir,

In forwarding herewith a copy of an inspection report, dated 10.4.63. I am desired to inform you that, in extension of the affiliation already granted, the Sivanath Sastri College, Calcutta has been affiliated in Mathematics, Geography, Botany and Anthropology to the Pre-University Arts & Science standards, in Mathematics, Botany, Geography and Anthropology to the B.Sc. Pass standard, in Geography to the B.A. and B.Sc. Honours standards and in Education to the B.A. Honours standard from the session 1963-64 i.e. with permission to present candidates in the above-mentioned subjects at the Pre-University examination in 1964, B.A. & B.Sc. Part I Examinations in 1965 and B.A. & B.Sc. Part II Examinations in 1966 and not earlier subject to the following conditions :-

1. Ten additional whole-time lecturers are appointed in the manner recommended in the report.
2. Books on Mathematics worth Rs.1,000/- on Anthropology worth Rs.1,500/- on Geography worth Rs.1,000/- on Education worth Rs.2,500/- are purchased.
3. Apparatus worth Rs.9,000/- for Geography laboratory and Rs.5,000/- for Anthropology laboratory are purchased.
4. One seminar room for Education is provided.

I am also to request you to be so good as to implement the conditions mentioned above and also other suggestions for improvement mentioned in the report, if any, as early as possible and furnish this office with a report of such implementation.

Yours faithfully,

Sd/- A.K.Mitra

For Registrar.

Memo. No.C/2965-69/49(Affl.) dated 15. 5. 63.

Copy forwarded, for information, to

- 1) The Controller of Examinations, Calcutta University
- 2) The University Inspector of Colleges
- 3) The C.S.R. Section
- 4) Statistics Section
- 5) U.G.C. Section.

For Registrar.

## SIVANATH SASTRI COLLEGE, CALCUTTA

In compliance of the orders of the Vice-Chancellor and Syndicate we inspected the Sivanath Sastri College, Calcutta, on March 27, 1963, in connection with the application of the Principal for extension of affiliation in Mathematics, Geography, Botany and Anthropology to the B.Sc. Pass and Honours standards and in Geography and Education to the B.A. Honours standard with effect from the session 1963-64.

This College caters to the educational needs of a large number of girl students in South Calcutta with an enrolment of 1,400 in the current session. There is, therefore, considerable demand for further expansion of the institution. But we do not see eye to eye with the policy of the management which proposes to go in for extension in so many subjects all at a time. We have accordingly explained to the Principal the enormous financial liability, both capital and recurring, that the proposal would entail and advised him to drop some subjects. The Principal readily agreed to give up the scheme for extension of affiliation in Botany, Mathematics and Anthropology to the B.Sc. honours standard.

### MATHEMATICS :

The department of Mathematics will require the services of two whole-time lecturers - one to be appointed in 1963-64 and the other in 1964-65. At our suggestion the Principal has agreed to purchase books on Mathematics worth Rs.1,000/-.

### ANTHROPOLOGY :

We examined the claims of the College to extension of affiliation in Anthropology to the B.Sc. Pass standard. The Principal has provided a separate room to be used as the Anthropology laboratory and has accepted our suggestion to spend Rs.5,000/- towards equipping the same. No student should be admitted to the Anthropology class till the laboratory is full equipped. We have further pointed out that a sum of Rs.1,500/- would be necessary for the purchase of books on Anthropology. Three whole-time lecturers will be necessary at the ultimate stage for the department of Anthropology of which two should be appointed in 1963-64 and the remaining one in 1964-65.

### BOTANY :

The College is already affiliated in Botany to the B.A. Pass standard and has the necessary teachers and equipment. Hence the introduction of Botany as a B.Sc. Pass subject will not involve any additional expenditure. The teachers, the laboratory and the library of the B.A. Botany department will be just adequate for the opening of Botany as a B.Sc. pass subject.

### GEOGRAPHY :

At present Geography is an affiliated subject to the B.A. Pass standard. The opening of honours course in the subject to the B.A. and B.Sc. honours standards will require additional expenditure. The number of teachers in Geography as at present is five and with the opening of honours course three additional lecturers will be necessary - two to be appointed in 1964-65 and the eighth lecturer in 1965-66. The Geography Pass laboratory, accommodated in a room measuring 35' x 20', is well equipped for the pass standard and has some major items of instrument and apparatus for the honours course. It is our considered opinion that the College management will have to spend a further sum of Rs.9,000/- for fully equipping the honours laboratory. The Principal has earmarked a second room measuring 25' x 20' for being used as the

honours laboratory. The collection of books on Geography is fairly good and the College will require an additional sum of Rs.1,000/- for purchasing the remaining books recommended for the Geography honours course. The Principal has agreed to fulfil all the conditions mentioned above.

EDUCATION :

The College is affiliated in Education to the B.A. Pass standard and there are at present one part-time and two whole-time lecturers in the subject. With introduction of the honours course in Education the strength of the whole-time teaching staff should be four. One additional lecturer should be appointed in 1963-64 and another in 1964-65. The stock of books on Education is upto the mark and the management will require a sum of Rs.2,500/- for purchasing the remaining books for the honours course which should include four copies of each of the text and reference books. The Principal has set apart a room to be used as the Education seminar.

We, therefore, recommend that the Sivanath Sastri College, Calcutta, be granted extension of affiliation in Mathematics, Geography, Botany and Anthropology to the Pre-University Arts and Science standards, in Mathematics, Botany, Geography and Anthropology to the B.Sc. Pass standard, in Geography to the B.A. and B.Sc. Honours standards and in Education to the B.A. Honours standard from the session 1963-64 on the following conditions :-

1. Ten additional whole-time lecturers are appointed in the manner recommended in the report.
2. Books on Mathematics worth Rs.1,000/-, on Anthropology worth Rs.1,500/-, on Geography worth Rs.1,000/- on Education worth Rs.2,500/- are purchased.
3. Apparatus worth Rs.9,000/- for Geography laboratory and Rs.5,000/- for Anthropology laboratory are purchased.
4. One seminar room for Education is provided.
