SIVANATH SASTRI COLLEGE

ADMISSIONS 2022-23

NOTICE

It has come to the notice of the Admissions Sub-Committee that some students who have previously been admitted and registered under a different College of University of Calcutta, or a College of another University, are desirous of applying to Sivanath Sastri College. **Students who have a valid registration certificate (with registration number) obtained from any other institution under University of Calcutta (or any other University) are requested to contact the College Office Helpline Number (given in the Admission Helpline document) prior to submitting their application**. If they have already applied, they must contact the Office Helpline Number. The Office will provide further guidance on how to proceed in such matters.

This notice pertains only to the UNIVERSITY registration that would have been carried out for candidates who may have been enrolled in other institutions in previous year/s. As such, it is relevant only to students who have passed out in 2021 or earlier and had taken admission in some other College or University. ***Fresh candidates who have cleared their Class XII/HS in 2022, and those who have not been admitted/registered to any College previously, are not to concern themselves about this notice.***

Applicants are informed that such queries must be directed to the Helpline number *only. No candidate should visit the College office in person unless the Office specifically instructs the candidate to do so. Otherwise they will be turned back at the College gate. Queries made to the Helpline number must be made during the specific hours mentioned against the number.*
