

## Distinguished Alumni

Dr. Kanika Chatterjee  
Professor  
Department of Commerce  
University of Calcutta

Sivanath Sastri College evokes a sense of deep gratitude and immense pride for engendering in me requisite human capabilities to serve our planet and society, with humility. As a stepping stone, initially for self-discovery and subsequently for self-mastery, my alma mater has inspired me to navigate the path of academic excellence in the diverse roles of student, researcher, educator, mentor, and governance. What is more, this college has gifted me with true, priceless, and life-long bonds of friendship with my classmates, spanning well over four decades.

In 1984 a young mind was admitted to the halos of Sivanath Shastri College, where the seeds of her interest in the world of business were planted and nurtured.

The flowers that have bloomed in my career trajectory is the harvest of education imparted by dedicated and learned teachers who were stalwarts in the field of commerce, strict disciplinarian and flag bearers of values that symbolized this great institution.

Sharmistha Banerjee  
Professor  
Department of Business Management  
University of Calcutta

I feel extremely honoured to be called on as an alumnus of this prestigious institution. From freshers to farewell, from junior to senior from confused teenager to confident public servant and finally to alumni, the pleasant journey elates us, not the race. This is a time for self-development, career development will follow it's lead. At the end, I want to leave u with a thought - that education is which survives after we forget what has been memorized this very survival skill has been inculcated in us through our alma mater

I am really elated to know about the new campus of Sivanath Shastri College coming up at Sonarpur. It just seems to be the other day when I stepped foot for the very first time in the college, with a lot of timidity and afraid to express myself. The reminiscences of classes from MLD Sir, RS sir, TCB sir, Anindita ma'am and many other renowned professors, make me feel nostalgic about how wonderful those days were and how it has enriched me. I am very fortunate to be able to teach as a part time lecturer in Prafulla Chandra College(Evening Chapter) for a few years. It has given me immense happiness to teach in the same class where I used to sit as a student. I feel very proud to be a part of this great institution which has helped me in moulding myself to be a better human being. Lastly, I will like to express my sincere gratitude to the college management for giving me an opportunity to share
