

GENDER SENSITIZATION ACTION PLAN
2021-22

The Gender Sensitisation programmes are based on

1. To create awareness programmes through lectures, seminars, talks, workshops, debates, showing films and documentaries etc.
2. To initiate Research on different gender based issues
3. Extension programmes along with Networking & Coordinating with other Agencies
4. Documentation and Publication are to be used to monitor and review the effectivity of the programmes
5. Mentoring is another process which helps students to communicate their problems (based on sexual discrimination, sexual harassment faced by the students and to strengthening their potential to deal with the outside world),

To effectively practise and promote the processes discussed some of the actions are to be taken this current year. Which are following:

DEPARTMENTAL RESPONSIBILITY	ACTION PLAN	OUTCOME
All departments	International Women's Day (Working)	To instil knowledge among students about history of women's movements
