RULES REGARDING SUBMISSION OF EWS (ECONOMICALLY WEAKER SECTION) CERTIFICATE

The helpline has been receiving queries regarding the rules and regulations governing the procurement and upload of the EWS certificate required to avail the benefit of the EWS reservation that has been introduced from this year onwards. In this regard, it may be pointed out that the College follows the directives of the Government of West Bengal in letter and spirit and no deviation from the norms of the competent authority in the matter will be entertained. This has been already been mentioned in the Admission Norms document provided in the Admission portal.

Specifically, two points need to be borne in mind when uploading the certificate -

1. The certificate must be obtained in proper format from either the SDO or the DM (District Magistrate) of the area in which the student is residing. Certificates from other political or administrative functionaries will not be considered for the purpose of EWS reservation.
2. The certificate must be dated 1.4.2023 or later i.e. it must have been issued within the current financial year. Certificates which have been issued prior to this date will not be considered to be valid for admissions for this session.

Students and/or their guardians who have uploaded EWS certificates which do not fulfil the abovementioned criteria may obtain the certificate satisfying the above criteria within 15.7.2023. They can then upload the correct certificate to the admission portal during the rectification window that will be provided on 16.7.2023.
