**Special Lectures:** An one-day Special Lecture on the Topic—‘KENO SWAMIJI’ (কেন স্বামীজি)

Observation on Janmajayanti of the Eminent Persons is one of the regular activities of the department of Bengali. We commemorate the lives and teaching of such persons by arranging Seminars and Special Lectures.

On the Academic Session July, 2023—June, 2024, such two special Lectures have been arranged .

Brief Introduction

To commemorate Swami Vivekananda's 161st Birthday, The Department of Bengali, Sivanath Sastri College has arranged an One-day Special Lecture on the 15th January, 2024. The Lecture was given by Dr. Sonali Chakraborty, Associate professor, Department of Education, Sivanath Sastri College in the Room No-24, at 9.30 a. m.

Vivekananda's educational thoughts and beliefs are very significant today. He attempts to establish through his words and deeds, that the end of all education is Man-making. Man-making here stands for rousing man to the awareness of his true self. Swamiji defines education as ‘...the manifestation of perfection already in man.’ The aim of education is to manifest this ‘perfection’ in our inner life which is the very nature of our inner self.

The objectives of the Special Lecture were:

1.To convey the ideas and thoughts of Swamiji's educational philosophy to the Teachers and students. The goal of arranging the special Lecture was to inspire our students in the Kathopnisad Mantra- “উত্তিষ্ঠিত, জাগত, প্রাপ্য বরান নিবোধত” (Arise, awake, and stop not till the goal is reached ) which was pronounced significantly by Vivekananda in his lectures.

2.To make arrangements to the students to interact with the speaker on this specific field. As a result of acquiring knowledge students will be eager to know more facts about Swamiji, and in future they will get involved in related research work with proper guidance.
