

## **Department of Sports (SNSC)**

### **About sports activity:**

The NPE 2020 significantly emphasizes sports as a core part of higher education, moving beyond its traditional role as an extracurricular activity. It aims to promote holistic development by integrating sports into the curriculum fostering a lifelong attitude towards fitness.

The Sports' unit of the college successfully conducts "Annual Sports Meet" every year with active and joyful participation of the students. In the previous year "Annual Sports Meet - 2024" was held at Rabindra Sarovar Stadium in the winter season. The college also arrange Indoor Sports' Competition during academic session. For recreational activities of the students the college supply various sports equipment. The college also sent the winners and interested students to take part in "Inter Collegiate Tournament/Championship" and "Inter College State and Games Championship" which has been organised by University of Calcutta, Department of Sports and South Calcutta district in the various events like Karate, Table Tennis, Kabaddi, Badminton, Chess, Yoga etc every year.

As outcome, students from various department have achieved medals and recognition at University, District, State, National and International Level. At present session we have gold medallists in Karate event, State level winner in Table Tennis event and National Level player in chess event.
