INSTRUCTIONS FOR STUDENTS WHO APPEARED FOR PHYSICAL VERIFICATION ON 29.10.2025

This is to inform the students who appeared for physical verification that they must check their Email inboxes for an email that has been sent a few days prior from the College admission portal. Within the email is a link for upload of documents and completion of further steps. These steps must be completed in order to generate the Enrolment Form.

Students who appeared for physical verification on 29.10.2025 are instructed to generate the Enrolment Form and appear at the College gate at 7 AM on 31.10.2025 with their Application Form (stamped by the College authorities) and the printed copy of the Enrolment Form. They are to then proceed to their relevant Department or to the Nodal Officer, Admissions for completion of the procedure of verification of documents.

These steps are mandatory and any student who fails to furnish the Enrolment Form within the stipulated time is liable to have her admission cancelled without further intimation from the College.

This notice applies only to students who have been admitted in the Standalone Mode. Students whose verification was completed through the Centralized Admission Portal on or before 10.10.2025 may kindly ignore this notice. However, they too would be required to complete uploading certain documents through the college's admission portal soon. Separate notification will be issued in this regard shortly.
