Women's Day 2025

“For ALL women and girls: Rights. Equality. Empowerment.” UN

International days and weeks are occasions to educate the public on issues of concern, to mobilize political will and resources to address global problems, and to celebrate and reinforce achievements of humanity. The existence of international days predates the establishment of the United Nations, but the UN has embraced them as a powerful advocacy tool. We also mark other UN observances.

The International Working Women's Day on 13.03.25 was organised by Women and Legal Cell and Department of Women's Studies in Association with IQAC and celebrated with all the faculties. The principal of our college gave the keynote speech. The main speakers were Pema Tamang (Commerce Department) and Siprodi Roy (Department of Bengali). Many teaching faculties gave their input and raised a lot of issues related to women. The day was celebrated successfully.
